GIBSON LANE WINS AWARDS AT BEST ESTATE AGENT AWARDS FOR THE SECOND YEAR RUNNING, AND ARE LISTED IN TOP 3% OF AGENTS IN THE UK.

'NEIL GIBSON, MD, AND RYAN RAY, ASSISTANT LETTINGS MANAGER, RECEIVE THE 'BEST ESTATE AGENT' AWARDS - PRESENTED BY JONATHAN DAVIES' WELSH RUGBY LEGEND

The Best Estate Agent Guide is an annual, independent assessment of all individual estate agency branches across the UK, compiled by the Property Academy and providing an independent reference source for sellers and landlords.

Gibson Lane, and 15,000 other estate agents across the UK, were assessed and mystery shopped to measure customer service, market share, delivery of results, and marketing of properties - all factors which consumers consider to be among the most important criteria when selecting which agent to sell or let their property.

Peter Knight, founder of the Property Academy, commented: "We set out to provide the home mover with a reliable resource to help identify the best estate agent in each area, whether someone is looking to sell or let a property. Only the best branches make it into the Best Estate Agent Guide and only the top 3% have been recognised with an award."

If you're thinking about selling or letting a property then please get in touch - you can be confident that you're dealing with one of the very best estate agents in your area.
